

A detailed portrait of King Richard III, showing him from the chest up. He is wearing a black cap with a gold and red jeweled ornament on the side. His face is pale with some wrinkles, and he has a serious expression. He is wearing a dark, patterned tunic with gold and red details.

Richard III™

The Wars of the Roses

Richard the Third is a game that recreates the dynastic struggle between the royal houses of York & Lancaster.

Strutting across the game's stage are Richard III, Edward IV, the mad-king Henry VI with his wife Queen Margaret, Henry Tudor, and Warwick, the notorious "Kingmaker".
