

WarFlail's Joust Tactics Cards For HârnMaster Third Edition

Instructions

- ❖ This is a supplement to the Jousting rules (Combat 25-26).
- ❖ Print off two sets of this document, one for each joust.
- ❖ Cut out each pair of illustrations (front and back) and glue them together.
- ❖ Ideally, the cards should be printed on cardstock and laminated for strength and durability.
- ❖ Each joust receives his or her own 'deck' of five Joust Tactics cards.
- ❖ Prior to each charge, each joust should choose a Joust Tactic (i.e. Pass, Lunge, Block, Deflect or Evade) and place the corresponding card face-down before them.
- ❖ When the charge begins, the cards are turned over to reveal which tactic was selected.
